

'Finding the Flow'
Pentecost Sunday 31st May 2020
Livestream Message

Key Scriptures: Acts 2:1-21 & John 7:37-39

Summary: We may find ourselves in the flow of many different areas of life right now, anything from family, relationships or career, lockdown and possibly the subtle flow of culture and all that comes with it. But what about the flow of Holy Spirit living water that Jesus talks about in John 7? The most powerful, most significant and transformational flow there is, is available for all of us today.

As Peter says in Acts 2, this promise is for YOU, for YOUR CHILDREN and for ALL WHO ARE FAR OFF. What an incredible gift and an amazing promise. How might we discover the flow of the Holy Spirit in our lives?

.....

Questions:

1. What, if anything, struck you from the message on Sunday morning? Is there anything that has journeyed with you over the last few days?
2. **Read John 7:37-39.** Take some time to discuss what Jesus was saying here and what this means for us now. What does the flow of 'living water' mean to you?
3. What are you in the 'flow' of right now? How can you find and discover the flow of the Holy Spirit more deeply?
4. How could you develop your relationship with the Holy Spirit at this time?
5. Who might the 'far off' people be in your life and how can you pray for them over the coming weeks?
