

'The Weakest Link'
Acts Session Three
27th September 2020

Key Scriptures:

Acts 4:1-14

1 Corinthians 1:26-31

Summary:

God has always been using the weak things, the lowly things, the foolish things and the ordinary things in His plans and purposes. He has always used ordinary people to do extraordinary things. If you feel like a weak link, out of place, ill-equipped or under prepared, you don't need to disqualify yourself from the incredible plans that God has for your life. Be filled with the Holy Spirit and allow a growing confidence in Jesus to shape you and the day to day interactions you have.
