

THE CHURCH OF TOMORROW

Questions for discussion or reflection Session 6: Churches that plant churches

What is the story of when the church you are part of was planted?

Having read the definition of a church in this chapter, what do you think the essential elements of a church are?

How do you respond to the proposal that church planting is important in fulfilling the mission of God?

How do you react to the idea of planting small church communities in homes and community spaces?

Where do you think there is the opportunity to plant a church in your context?
