# Work for Us

*Do you enjoy meeting and serving people?*

*Does managing a growing community focused Coffee Shop appeal to you?*

*Do you love coffee?*

We are a large Word and Spirit Anglican church in Clifton, North West Bristol, affiliated to the New Wine Network. Our Coffee Shop opened in early 2017 within the church building as part of our mission to care for and demonstrate God's love to the local community. We are now seeking a new manager to spearhead the next phase of the project's development which includes the introduction of a lunchtime food menu.

We are seeking a friendly, reliable and organised person with excellent people and communication skills and ideally relevant experience of a commercial catering environment (although training will be available) to start as soon as possible.

Alongside day-to-day management of the Coffee Shop, you will play your part in serving customers and in recruiting and managing a team of volunteers to ensure the successful running of the Coffee Shop.

If you would like to know more, we invite you to have an informal conversation with one of us. Please email [office@ccweb.org.uk](mailto:office@ccweb.org.uk) or call the church office on 0117 973 6524 to make an appointment.

Further details about the role including a role profile, application form and how to apply are available on our website at [www.ccweb.org.uk/workforus](http://www.ccweb.org.uk/workforus).

**The deadline for applications is midnight on Thursday 7th February 2019 and interviews will be held on Friday 15th February 2019.**

Christ Church Clifton is a Christian Church and applicants are asked to be sympathetic to our Christian ethos and vision and values.

Christ Church Clifton is committed to safeguarding children and vulnerable adults and expects all staff and volunteers to share this commitment.
