We are a large Word and Spirit Anglican church in Clifton, North West Bristol, affiliated to the New Wine Network. We have identified the need for a new role within our close-knit Staff Team who will become a key person in maintaining our beautiful Grade II\* listed building and other properties.

We are seeking a **Church Building Manager** who is able to work flexibly around the needs of our buildings. This role will also be supported by the PCC's Buildings Team. This role will be filled by someone who has a gifting for practical support and has a passion to support a church.

You will become a point person for the maintenance of our buildings. This covers all aspects from general upkeep of the buildings to dealing with the Quinquennial Inspections (every 5 years).
